OSAKI®

HAIRBRUSH MANUFACTURER

Product Catalogue

OUR COMPANY

Factory Advantage • OEM / ODM Service • R&D Support
Quality Control • Assured Delivery • Global Assistance

Established in 1999, Osaki is a leading manufacturer and exporter of hairbrushes and combs, with over 25 years of experience in offering exceptional OEM & ODM services globally. Over the years, we have gained a loyal and long-term customer base worldwide by providing not only superior quality products but also competitive pricing and excellent services.

With a self-owned factory and advanced production facilities, quality is at our core. We have passed BSCI, FSC and ISO9001 audits etc. In addition to quality, we prioritize product design and innovation. Our in-house R&D center empowers us to provide innovative solutions to clients, tailored from product development to packaging. We have every advantage from design to production, quality to cost.

Our mission is to elevate OSAKI into a world-class professional factory. We uphold values of customer focus, integrity, efficiency, innovation, social responsibility and environmental sustainability. We look forward to the opportunity of collaborating with more clients in the future!
